Our Glenn Wood Tap Exams are scheduled for **Sunday 2nd August 2026** (more information on groups and times will come out closer to the date). To be prepared, we will be holding some Tap Exam Workshops (coinciding with the Ballet & Industry Workshops) in the July School Holidays. These workshops will be held at EPC Studios **Friday 10th July ONLY and will include Mock Exam. This workshop is essential for examination students.** This workshop is **HIGHLY IMPORTANT** for our Tap students and will help them finalise their Syllabus knowledge and dances. Please let us know if you are away and we can organize some private lessons. Students not listed below are welcome to be considered for exam and also more than welcome to attend the workshops. It is assumed you will attend the workshop unless you tell us otherwise.
